

Appl. No. : 10/765,488
Filed : January 27, 2004

REMARKS

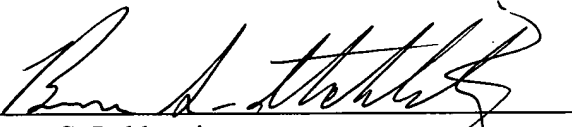

In the Notice of Allowability dated February 14, 2005, the Examiner included an Examiner's Amendment which is in accordance with the amendments which were authorized by Applicants' representative, Bruce S. Itchkawitz, in a telephonic conference on January 31, 2005, but which unfortunately contained various typographical errors in Claims 1, 8, 9, and 11.

The claim amendments submitted herewith reflect the changes made by the Examiner's Amendment, but without these typographical errors. Applicants respectfully request entry of these claim amendments.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

Dated: 3/2/05
